

Dear Friends and Family,

Describe
Opportunity → My name is _____ and this summer I am travelling with Fellowship City Church to Mexico on a summer mission trip. Last year, I went to Nashville and now that I have had that experience, I am excited for the opportunity to travel internationally. Joining me are nine other team members and six leaders. I feel really blessed to be sharing this with such great people.

What you
will be
doing → We will be working near Mexico City with OMS (One Mission Society). The majority of our trip will be spent at a camp working with ten kids from the street. I think this will be an incredible experience to get to know them on a more personal level than would be possible under other circumstances. Some activities we have planned for that time are bonfires, singing, and lots of soccer.

Why this is
important
to you → Our one goal is to be able to show these kids that they matter. Another aspect of this trip that I am looking forward to is the challenge of using my three years of Spanish in the real world. My time in Mexico will certainly push me out of my comfort zone; however, I know that helps me to grow the most in my faith.

Ask for
prayer
support → All that being said, there are a few ways that I would really appreciate if you could help me out. The most important of these being prayer. I will be in Mexico from June 13th-21st. Some trip-specific requests are effectiveness in reaching people, safety, and strength for our group. Please pray as you feel lead though!

Ask for
financial
support → Another way that you can help is by supporting me financially. I need to raise \$2000. I would be really appreciative if you would consider helping me reach this. Your financial support will not be going to just me, but to providing the ministry supplies needed to help share the love of Christ to the people of Mexico. If you are able to contribute, please donate online at (Fellowship Missions fundraising link) or make the check payable to Fellowship City Church and put my name in the memo. I am so grateful to be part of a church that is so supportive of missions.

Closing → I am really looking forward to the experiences I will have on this trip. When I return home, I will be eager to share all about my time with you. I have confidence that God will work in amazing ways with my group. Thanks so much for your time and support!

Love,
